REQUEST FOR COMMENTS PROPOSED GAS EXPLORATION

The Mant-La Sai National Forest and Bureau of Land Management (BLM) are proposing to authorize Prima Oil and Gas Company to conduct gas exploration and reclamation activities on the Mant-La Sai National Forest during the summer of 2003.

All exploration activities would take place on Federal Oil and Gas Lease (UTU-77087 in Carbon County, Utah. One exploration hole is proposed. The site would be located

REQUEST FOR COMMENTS PROPOSED COAL EXPLORATION

The Mant-La Sai National Forest is proposing to authorize Ark Land Company subsidiary of Arch Coal Company) to conduct coal exploration and reclamation activities during the summer of 2002 on the State Institutional Trust Lands Administration (SITL) Woody Coal Tract and Federal Coal Leases U-63214 and U-76195. Exploration activities would consist of geologic core drilling through the use of a mud rotary system.

The exploration project would occur within Sevier County, Utah T.21S., SE., Sec. 9, and 17. Four exploration borings are proposed. This action would enable Ark Land Company to economically recover the available coal resources within the SITLA coal tract and the two Federal coal leases.

Since no extraordinary circumstances, including inventoried roadless areas, have been identified, the project may qualify for categorical exclusion from preparation of an Environmental Assessment and/or Environmental Impact Statement.

Comments are invited on the proposal. To ensure consideration, comments should be sent to Karl Boyer at the Mant-La Sai National Forest (599 West Price River Drive, P.O. Box 84501) by May 31, 2002. To obtain further information about this project, contact Boyer at (435) 637-2817. All received comments will be considered. Comments received in response to this solicitation, including names and addresses, will be considered part of the public record and will be available for public inspection.
